Approved Safety Training

The Ohio Bureau of Workers' Compensation accepts these KPA courses.

The Ohio Bureau of Workers' Compensation requires employers that have an employee claim within the "green year period" to have managers take 2 hours of safety training.

- **Private employers** must complete the training from July 1-June 30.
- **Public employers** must complete the training from January 1-December 31.

The Ohio Bureau of Workers' Compensation has approved the following 6 KPA courses as meeting the above requirements. Managers must take all of them on the same day, back-to-back. **Note:** Managers will need to retake these courses if they've already taken them.

To prove you took the safety training in the right time frame, submit the Vera Suite (verasuite.com) Training Report to your group sponsor or third-party administrator.
